Expression of Interest (Eoi)
for Development of
Bus Terminal-cum-Commercial Complex in Nine (9) Towns of Bihar
Under Public Private Partnership (PPP) Model on Design – Build – Operate – Transfer (D.B.O.T.) Basis

CORRIGENDUM -02/09

This is with reference to the advertisement published on 28th of February 2009 in Economic Times, Hindustan Times and other news papers and the subsequent project briefing meeting held on 13th March 2009.

Pursuant to the project briefing meeting and queries raised in the meeting the department has envisaged the following changes in the Expression of Interest.

1. The bidders will be allowed to submit their Eoi for individual bus terminals instead of specific packages as mentioned in the advertisement published earlier. However the minimum eligibility criteria will remain same. This means the bidders for individual bus terminals have to qualify the same criteria set for the packages.
2. All other matters in the previous advertisement mentioned above will remain same.

The last date of submission of the completed EOI has been extended to 7th of April 2009
