Work Serial No. 1

It has been reported that the excel sheet of price bid i.e., bidder sheet is having some problem of formulae, as a result not showing the correct figure in column of '**AMOUNT IN INR AFTER ADDING % ABOVE OR BELOW**' and also in the column of '**RATE IN WORDS**'. It has appeared that the rate quoted '**As Above**' does not show '+' sign and the rate quoted '**As Below**' shows '-' sign.

It is requested that the bidders should quote their rate and IDA will calculate the total amount after getting hard copy of the quoted rate. The rate quoted in figure not showing '+' sign will be treated '**As Above**' and figure showing the '-' sign will be treated 'As Below'.
