## **NOTICE INVITING TENDER FOR HIRING OF 63 KVA SILENT DG-SET**

### **NOTICE NO-02/TEN/IDA/14**

Sealed tenders under two-bid system (Technical Bid & Financial Bid) are invited by Infrastructure Development Authority, Patna (IDA) from bonafide & resourceful owners and suppliers of 63 KVA Silent Diesel Generator Set, on hire basis for its Office at Patna. The required D.G. Sets should be capable of supplying continuous power of at least 90% of rated output, at the frequency of 50 Hz during power failure/load shedding at any point of time, as per requirement of IDA.

The scope of services and terms & conditions for hiring the 63 KVA Silent D.G. Set is as under:

1. The supplier should be agreeable to provide Silent type D.G. set on hire basis, with operator & fuel to be consumed. Rates are to be quoted for monthly rental charges including the cost of operator, for each rating of D.G. Set of reputed make/brand "Kirloskar Green", "Greaves", "Cummins India", "Mahindra", "Ashok Leyland".
2. DG Set having multifunctional digital meter for showing voltage, current, power factor, frequency, rpm and running hour.
3. All cost for maintenance and servicing of the generating set including the cost of spare parts, periodical replacement and topping up of Mobil oil etc. are to be borne by the generator supplier.
4. The D.G. Set offered on hire basis should not be more than 2-years old.
5. The D.G. Set should be maintained properly to keep those in satisfactory running condition at all times for supplying emergency power for a load at least 90% of the capacity of respective generator.
6. For running the D.G. set, separate charges towards cost of fuel (diesel) per hour will be paid by the IDA, which are to be quoted by the bidder.
7. Supply & installation of accessories like cables, change-over switches, exhaust pipeline etc. for supplying generator power to a point in IDA premises will be made by the vendor at their own cost.
8. The charges for transportation, loading & unloading of the D.G. Set for installation of the same in IDA premises will be borne by the Contractor. Mending of any damage caused to the IDA's property during loading, unloading of the

D.G. Set in IDA's premises will be done by the contractor to original finish, at their cost.

9. The successful bidder should be in a position to install and commission the D.G. Set in IDA's premises within 15 (Fifteen) days from the date of awarding the contract.
10. The contract will remain in force initially for a period upto period of one year from the date of satisfactory commissioning of the D.G. Set at site. However, the contract is subject to termination at any time if the services are not found satisfactory or for any other reason whatsoever. The contract may be extended for further period keeping terms & conditions unchanged, depending on satisfactory services rendered by the contractor and requirement of the IDA.
11. In case of major break-down of the D.G. Set an alternative interim arrangement will be made by the contractor immediately at no extra cost otherwise penalty may be imposed which may be deducted from monthly bill of the generator for the period the generating set remains non-functioning.
12. The successful bidder will have to execute an Agreement with the IDA in non-judicial stamp paper of requisite value and as per the draft of Agreement (format given at annexure-3) to be provided by the IDA, within 15 (Fifteen) days from the date of commencement of the contract.
13. Tenders should be submitted along with the Earnest money deposit for an amount of Rs. 25,000/- (Rupees Twenty-five Thousand only) by DD/Pay Order drawn in favour of IDA payable at Patna. Tenders submitted without Earnest money Deposit will be summarily rejected. The Earnest money will not bear any interest. The Earnest money deposited by unsuccessful bidders will be refunded after awarding the contract to the successful bidder. The Earnest money deposited by the successful bidder will be kept as performance security deposit which will not bear any interest and the same will be refunded to the contractor within a reasonable period after the closure of the contract.
14. The contractor will have to remove the D.G. Set within a week from the date of termination or closure of the contract, at their cost, else demurrage charges @ 1000/- (Rupees One thousand only) per day will be charged by the IDA to the contractor. Mending of any damage caused to the IDA's property during taking out the generator will be done by the contractor to original finish, at their cost.
15. If the successful bidder fails to perform the commencement of the contract within the specified time period, the earnest money deposited by the bidder will be forfeited.
16. The IDA reserves the right to reject any or all tenders without assigning any reason whatsoever.
