13.	NC Infra, Patna	This is in reference to the pre bid meeting of the aforementioned EOI-cum-RFP held on 30.11.2021. During the same, a discussion held regarding a firm applying for category E should have an architect as its proprietor /Director. I understand that this may restrict wishing companies from enrolment under category E. In spite of having necessary work force and also past experience of doing such work in private. Thus we are writing to request you, regarding enrolment of company in category E, to equally consider a company, having required/sufficient work force for doing necessary infrastructure related work coming under your esteemed organisation, for enrolment under category E.	As per RFP no change.
