निविदा समिति की कार्यवाही -

09/09/2025 को (Re-tender) Construction of Remaining Work of Auditorium at NIFT, Mithapur, Patna (NIT-34/TEN/IDA/25) के कार्य का Pre Bid Meeting हेतु निविदा समिति की बैठक की गई। बैठक में विभिन्न संवेदकों द्वारा ई-मेल के माध्यम से Pre Bid Query प्राप्त हुआ, जो निम्नलिखित है -

Sl No.	Name of Bidder	Contractor's Queries	Decision taken by IDA's Tender Committee
1.	Kumar Heights Private Limited, Patna	1. उक्त निविदा में Executive Magistrate द्वारा Affidavit की मांग की गई है। महाशय, हमारे कार्यस्थल बिहार के भिन्न जगहों पर है जिस कारण वांछित Affidavit करवाने हेतु हमारे Key Personnel का उपस्थित होना संभव नहीं है और आपके निविदा का समय कम है। अन्य विभागों में लागू एवं पूर्व में आपके विभाग में लागू नोटरी Affidavit को मान्यता दी जाय।	As Per NIT
		2. Balance Sheet CA के पास जांच हेतु दिया गया है 30.09.2025 तक ITR जमा करने की अंतिम तिथि भारत सरकार द्वारा निर्धारित की गई है इसलिए CA के Turn Over Certificate की मान्यता Balance Sheet 2024-25 की दी जाय।	As Per NIT
		अतः श्रीमान् से निवेदन है कि उपरोक्त बातों पर विचार करते हुए स्पष्टीकरण दें एवं निविदा उपलोड करने का समय विस्तार किया जाय।	As Per NIT
2.	M/s Manoj Kumar Pandey, Ranchi	It has been specified that all affidavits are to be attached/validated by the Executive Magistrate. We fully respect and understand the importance of this requirement. However, obtaining attestation from the Executive Magistrate is a time consuming process as it generally requires the physical presence of the concerned representatives for verification of every document. Considering the limited time available for preparation and submission of bids, it may not be feasible for all bidders to complete this process within the stipulated deadline.	As Per NIT

		<p>We therefore request your kind consideration to allow affidavits attested by a Notary Public as valid alternative. If notarised affidavits are not accepted, then we kindly request that the tender submission date be suitably extended to allow all bidders to complete Executive Magistrate validation properly and in time.</p> <p>We shall be grateful for your positive consideration of the above.</p>	As Per NIT
3.	S.P. Buildcon, Patna	<p>1. Earnest Money Deposit (Bid Security) :</p> <p>As per the proposed provisions, the Earnest Money Deposit is to be accepted only in online mode (Internet Payment Gateway). We respectfully requested that in addition to online mode, Bank Guarantee issued by Government/Schedule Bankss may also be permitted as a valid form of Earnest Money Deposit (Bid Security). This practice not only provides flexibility to bidders and encourages wider participation but is also in line with the general trend followed by various departments and organisations.</p>	As Per NIT
		<p>2. Affidavits Validation :</p> <p>It is mentioned that the affidavits are to be attested/validated by the Executive Magistrate. However, getting attestation from the Executive Magistrate generally requires considerable time and is not feasible within the short time span typically available for tender submission. We therefore request that affidavits attested by a Notary Public may also be accepted as valid, as this is a widely accepted practice in several departments and helps bidder comply within time constraints.</p> <p>We request you to kindly consider and allow the above provisions in the interest of fairness and ease of compliance for all bidders.</p>	As Per NIT
